

TAB WORKSTATION

Product Specification Sheet

This document contains technical
information about the Tab Workstation Series

DISCRIPTION

The Tab Workstations are specifically designed for workspaces, made from solid timber selected for its beautiful grain and character with a gently chamfered edge for tactility and comfort.

Focused on the needs of creative and functional work environments, the Tab workstation is a smart modular system that can cater to all conceivable dimensions

Tab Workstations and tables can all be equipped with the latest integrated wire management solutions.
