MANUAL

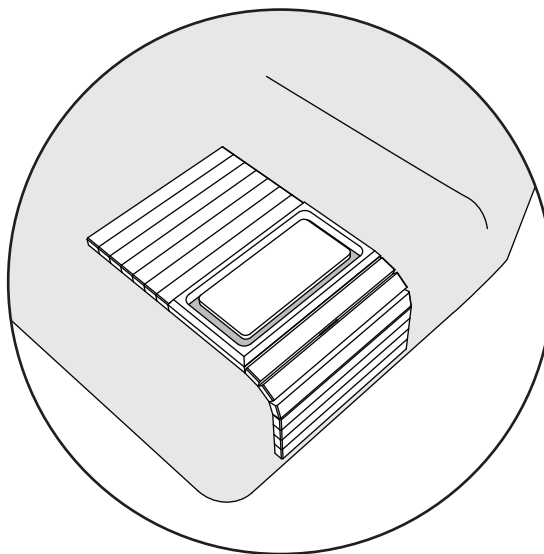

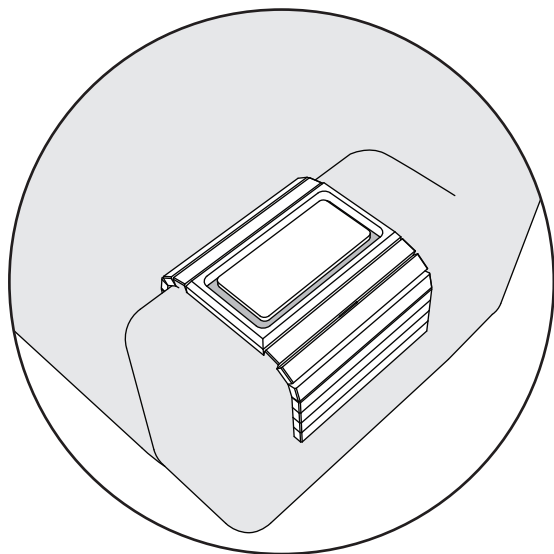

EMBRACE

Your Embrace is ready for use out of the box.

Place it at your most favourite place on your sofa.

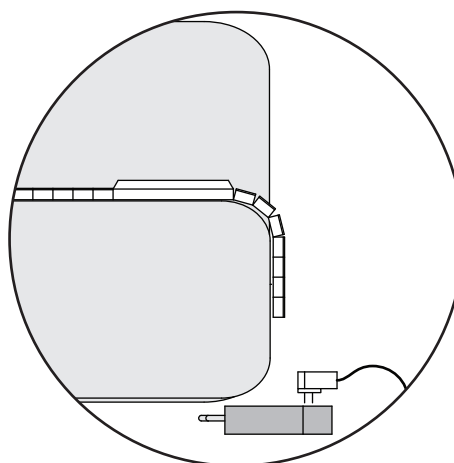

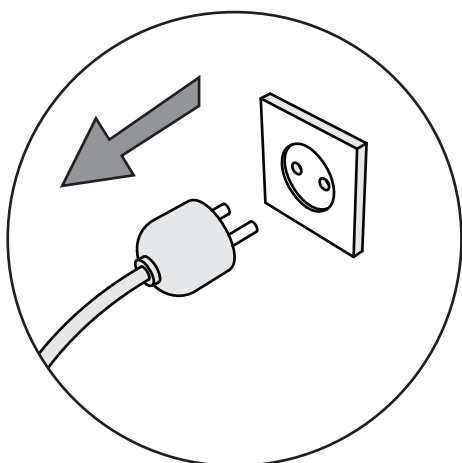

- Armrest, the back or even at the side.

1

Remove the Powerstrip from the main socket before plugin in your charge devices.

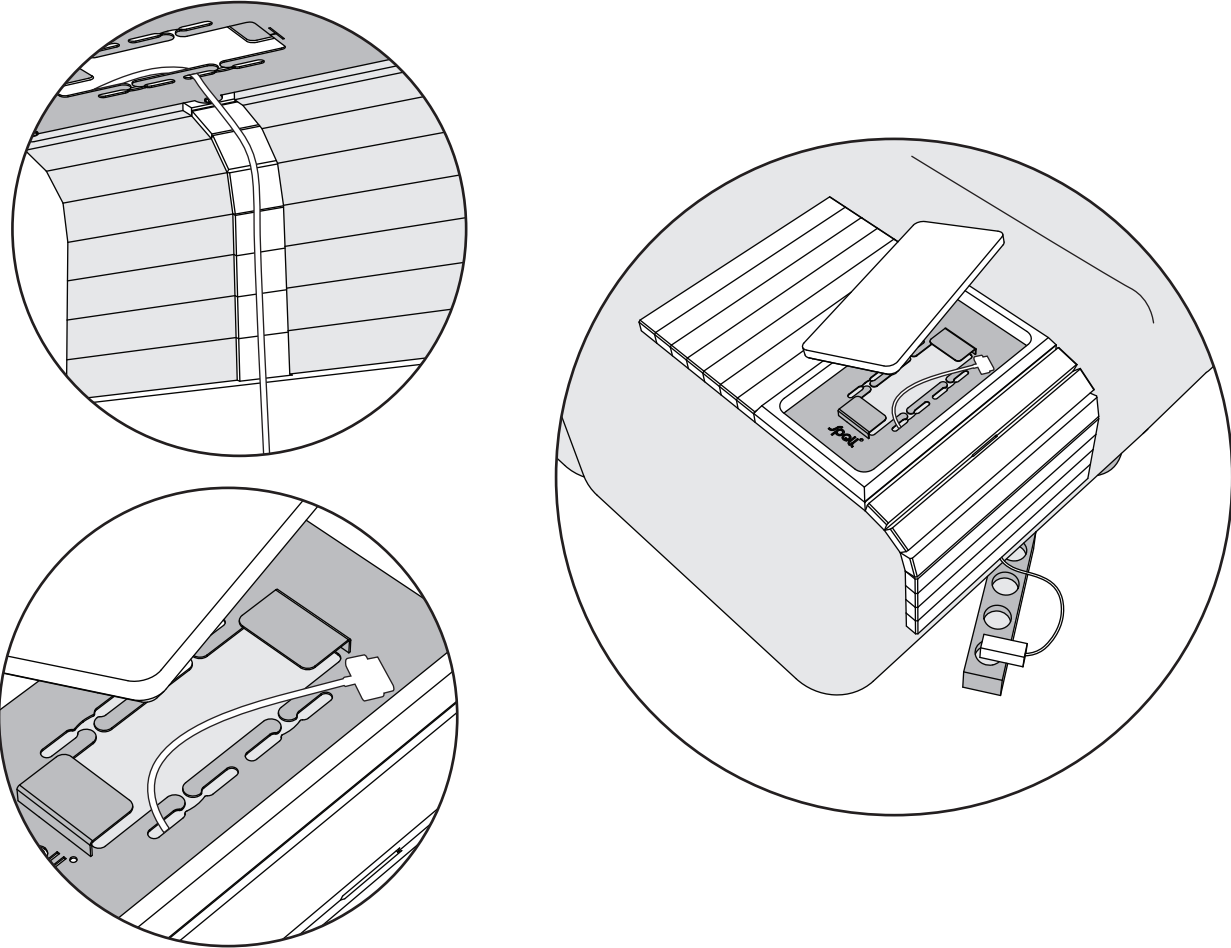

2

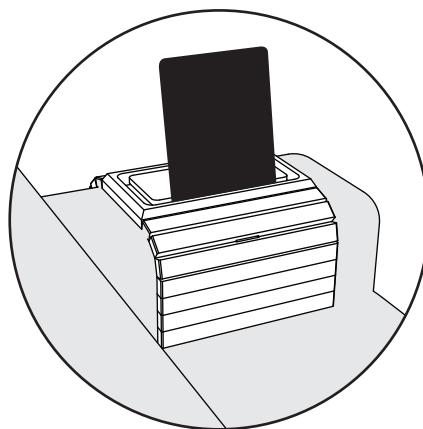

Remove the top

Plugin your most used charging cables in the powerstrip and guide your cables through under the Embrace cable groove to the cable clips

The Embrace supports up to 8 cables.

Place your most favourite tablet in place and now you have it! All your cables in one place, Enjoy!

The Embrace is meant to be used as an electronics - holder / decoration. Keep your Embrace away from sources of liquid, such as drinks, washbins and so on. Spell is not responsible for any damages on your devices, caused by inappropriate use.
