

After a long day you just want to have your handheld devices at one place before bedtime. Now your tablet and phone devices will always be ready and charged up for the new day to come.

As an addition to the Nomad series, the Nomad Nightstand is a natural brother to the family. With its extra compartment, all cables and chargers can be stored out of sight and charged from one main AC supply. Ready to be used after reading an e-book or watching a movie before bedtime.
