

# BLUSH

*Table series*

The Blush family is a compact and playful furniture solution.

Because of their characteristic form and size they can easily be moved around and be used for a variety of purposes.

The wooden or metal inlay sits flush with the tabletop. Creating a discreet sense of texture that is attractive in look and feel, wherever they stand. These tables feel right at home in a living room, lobby area, library, work place, restaurant or any active room, making them look colourful, elegant and fun.
