

CATWALKER

Table series

The Catwalker was inspired by the catwalks of the fashion world and crafted in Holland from robust solid oak. Whether the backdrop for eating, partying or working, it's sure to become a dynamic and indispensable player in your space.

This table has a matching Catwalker bench or fits on its own in your personalised layout, giving a solid and dynamic base that serves for all daily activities.

The simple lines of the Catwalker Series are designed to form a perfect foundation in a dining area, library or any work place, making them look elegant and timeless.
